

# Sensory Story

Exploring Colours

Joe White

### **Verse 1: Red**

**Red is the colour of a big, bright flame,  
It's warm, it's bold, never quite the same.**

**(Show a red scarf or shiny red paper.)**

**Feel it flicker, smooth and bright,**

**Red is the colour of firelight!**

**(Sensory Action: Wave the red scarf gently like flames.)**

**Blue is the ocean, the sky up high,**

**A cool, calm colour where clouds drift by.**

**(Use a soft blue fabric or bubble wrap for texture.)**

**Feel the water, cool and clear,**

**Blue is peaceful, like waves you hear.**

**(Sensory Action: Let children crinkle bubble wrap or blow bubbles.)**

**Yellow is the sunshine, so warm and bright,**

**It tickles your skin and fills the light.**

**(Use a yellow pompom or feather for tickling.)**

**Tickle, tickle, soft as can be,**

**Yellow's the colour of the buzzing bee.**

**(Sensory Action: Gently tickle hands with the feather or pompom.)**

**Green is the grass where we run and play,  
It whispers softly as it sways.**

**(Provide a piece of fake grass or green leaves.)**

**Feel the texture, smooth and light,**

**Green is the forest, a calming sight.**

**(Sensory Action: Let children stroke the grass or leaves.)**

**Orange is juicy, it's bright and sweet,  
Like tasty fruit that we love to eat.**

**(Give an orange-scented item or an orange object.)**

**Smell the orange, a fruity treat,  
Orange is happy, bold and neat!**

**(Sensory Action: Let children smell the orange scent or  
hold the object.)**

**Purple's the colour of mystery and dreams,  
It sparkles softly, or so it seems.**

**(Use a sparkly purple fabric or lavender scent.)**

**Feel the shimmer or smell the air,**

**Purple's the colour of magic, rare.**

**(Sensory Action: Let children touch the fabric or smell  
lavender.)**

### **Closing Verse: Rainbow**

**Now we've found colours, one by one,  
Each with its texture, its smell, its fun.  
(Show a rainbow scarf or parachute.)**

**Let's wave the rainbow high and low,  
Colours together make the world glow!**

**(Sensory Action: Lift and wave the rainbow scarf or  
parachute together.)**
